

SMARTSOURCE

TECHNOLOGY SOLUTIONS

Serving The Entertainment Industry
For More Than 35 Years

TECHNOLOGY ON YOUR SCHEDULE

From powerful rental equipment to around-the-clock technical support, our team will ensure your project runs smoothly and that you have all the tools you need, when – and where – you need them.

WE KEEP PRODUCTIONS PRODUCTIVE

With more than 35 years of experience working with creatives in the entertainment industry, we understand that every project is different. Whether your project takes a week or a year to complete, SmartSource® can accommodate your equipment rental needs with our multi-million dollar inventory, in stock and ready to go.

- Desktop Computers (Windows & Mac)
- Laptops (Windows & Mac)
(including newest MacBook Pro laptops)
- 4K TVs
- Video Conference Kits
- High-End Editing Equipment
- iPads & Tablets
- Wacom Tablets
- ScanSnaps
- Copiers & Printers
- VIBE Board Interactive Digital Whiteboards

For more information on our high-performance equipment, or to discuss a more custom solution, please contact us today. We look forward to demonstrating our white-glove service that so many studios and production companies have come to know and depend on.
